FIRST HILL DIAGNOSTIC IMAGING

A Swedish Medical Imaging Center

Dear Patient,

Your health care provider has referred you to First Hill Diagnostic Imaging for a specialized CT SimPlant study. This study will provide your provider with needed information for your dental implant surgery.

As a medical facility, First Hill Diagnostic Imaging cannot bill your dental insurance. We are however able to bill most major medical plans. This is not a guarantee of payment. Each claim is reviewed by insurance carriers independently. This means that your exam may or may not be covered or it may be paid at less than 100% of the charge. If preauthorization is necessary, we will need extra time to contact your insurance before we can perform your exam.

While we will bill your insurance, you may be asked to sign a waiver indicating that you understand you are financially responsible for this service.

The procedure or CPT codes for your exam are 70486 & 76377. If your insurance carrier does not cover the CT SimPlant study, our fees are as follows:

Single Tooth Exam	\$325.00
Single Quadrant Study	\$450.00
Full Arch Study	\$645.00
Both Arches	\$945.00

We are able to bill most major medical plans however your plan may require you to obtain a referral or prior authorization from your primary care provider.

We also offer a 35% discount if services are paid in full at the time of service.

We look forward to seeing you soon. Please feel free to contact us at 206-329-6767 or 1-888-676-7361 if you have any questions or concerns.

Thank you,

First Hill Diagnostic Imaging
